WELCOME TO THE AUTO GROUP

When a vehicle breaks down, whatever the reason may be, the frustration and inconvenience caused can be immeasurable. It is not just the cost of putting it right; it is the time and hassle involved in organising the repair of your vehicle. Being without your car for any period of time means disruption to daily life, being unable to get to important events or visit family and friends.

... That's Why We Created The Auto Group.

We believe that when something goes wrong, you should be supported from the very start. We ensure this through the range of our warranties and high level of service that we provide. We believe that warranty holders deserve to have their cases dealt with efficiently and effectively by professional and friendly staff who care about getting you back on the road as quickly and as easily as possible.

So, whatever your level of cover and whatever happens to your vehicle, we assure you that you will receive a service filled with dedication and commitment.

All of our customers are important to us – because we are drivers too.

WHY CHOOSE THE AUTO GROUP

We can of course list a number of reasons why you should chose The Auto Group but quite simply we thought it would be better to give you the feedback from our customers.

MARK S - 'FULL MARKS TO PRODUCT AND SERVICE'

I bought a car and the Dealer gave me a warranty with the Auto Group as part of the deal. Within a few weeks I had an issue and called the claims team. My call was answered straight away. Within an hour my car was in a garage and was back out on the road later that day, all fixed and without any cost to me. I was thoroughly impressed with both the product and service.

JON W - 'YOU GET WHAT YOU PAY FOR'

Everything sorted within a couple of hours. You get what you pay for!

KELLY J - 'GREAT SERVICE, WORTH EVERY PENNY'

Great Service, friendly, and gave me clear instructions on how to get my car fixed. I thought it would be a complete nightmare with red tape but I now know this is an easy process and worth every penny.

AISHA P - 'EASY'

My car unfortunately broke down which was so frustrating and of course inconvenient. I called the Auto Group and my car was recovered within the hour and taken to the nearest repairer. Within 24 hours my car was back on the road. The Auto Group kept me informed from start to finish and also dealt directly with the repairer with regard to payment so it couldn't have been easier.
